

K-LOVE radio is an fm translator service the serves my family and me in our local community on 96.9FM. if K-LOVE is displaced by an LPFM broadcaster my family and the local community will lose an invaluable source of positive and encouraging family oriented programming that we rely on and listen to EVERY DAY! Services provided by K-LOVE radio serve the public interest in a HUGE way by providing a positive and wholesome radio station for the whole family and whole community to listen to. Please do not let K-LOVE be forced off the air in our local area. This is VERY important to my family and me.

thank you,
